Dear Customer,

In order to assist our customers in obtaining items they need as easily as possible, C2 Gauge & Fixture offers COD or credit card terms for all first time orders. We also offer open account terms.

Since we have not done business with your company before, however, we require references for any open account orders. Enclosed is a copy of our credit application, please fill this out and return to us via email or mail (attn: Accounting Department), and we will set up an account for your company. If you have your own credit reference form, please feel free to send that instead. Our contact information is above.

If you do not wish to set up an account, but may need to place an occasional order, we will set up your account with C.O.D. or credit card terms/shipments. Until we receive a credit application, your account will remain C.O.D or credit card; we accept Visa and MasterCard. Just let us know which terms you prefer.

If you have any questions, or we can be of further assistance, don't hesitate to contact us at the numbers above.

Sincerely,
C2 Gauge & Fixture
